Interactive part of the workshop

Task 3: Design of the Cross-Section

- Group 1 → Breakout-Room 1
- Group 2 → Breakout-Room 2

Task 3:

In group work, please compile at least **two possible road cross sections** for the selected road cross section at square and/or main street under **consideration of specific space requirements** of the individual road users and the adjacent usages of the buildings.

Hint:

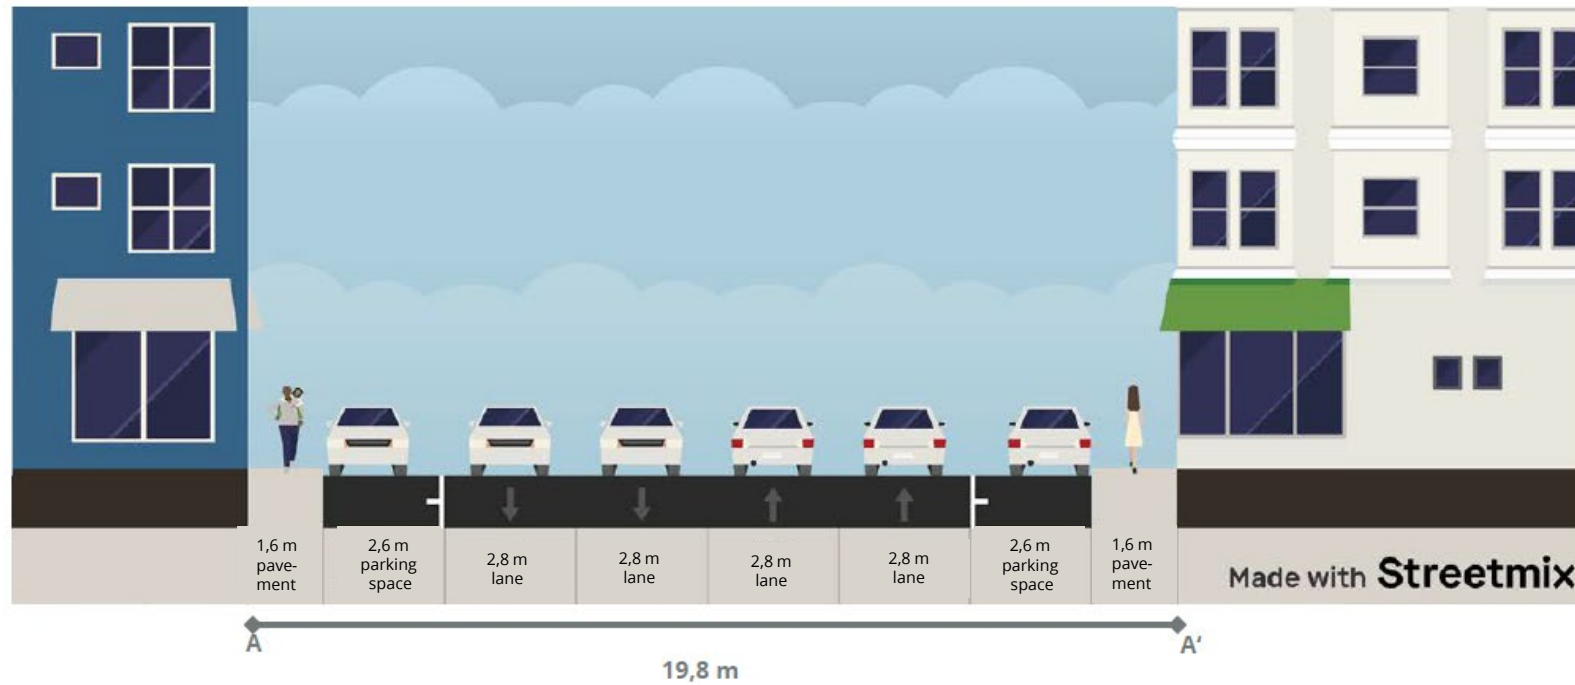

Please use the German Directives and space requirements. The guided as well as the context specific design process can be used.

Time frame :

- 25 minutes group work (please use whiteboard and given structure)
- Short presentation (approx. 5 min /group) of results given by group member(s)
